

**JOINT MEETING
of the
2013 PACIFIC PLATFORM FOR DISASTER RISK MANAGEMENT &
PACIFIC CLIMATE CHANGE ROUNDTABLE**

Hosted by the Government of Fiji

8th – 11th July

Sofitel Fiji Resort and Spa, Denarau Island, Nadi, Fiji

***Theme: “Strengthening Resilience: An Integrated Regional Strategy for
Disaster Risk Management and Climate Change for the Pacific”***

AGENDA

Objectives

1. Facilitate ongoing discussions between the ‘DRM’ and ‘Climate Change’ communities in the Pacific and provide an opportunity for specific interest groups and sectors to contribute to the formulation of the integrated strategy
2. Facilitate the sharing of experiences and ‘lessons learned’ on DRM and Climate Change between the Pacific Island Countries and Territories (PICTs) and stakeholders

Intended Outcomes

- Improved understanding of the 'Roadmap' process
- Guidance from PICTs and other stakeholders on priority issues and opportunities to be addressed in the integrated strategy
- Commitment for national, sub-national, regional and international collaboration and partnerships between DRM and Climate Change communities
