

Second Meeting of the Pacific Meteorological Council (PMC-2)

1-5 July 2013
Nadi
Fiji Islands

Agenda Item 16.0: PMC - Donor and Partners Roundtable

Purpose

1. To provide information to, and seek views of, the PMC with respect to the PMC Donor Roundtable programme and related documents including the Project Concepts

Background

2. This is the third Donor Roundtable the National Meteorological Services' (NMSs) Directors meeting have organized to engage the donor and development partners communities and maintain their interests in supporting the development of meteorological (weather and climate) services and the institutions which are the NMSs delivering these services in the respective Pacific Island Countries and Territories (PICTs). The Second PMC-2 Donor Roundtable which is also the Third PMC Donors Roundtable is organised for the afternoon of Friday, 5 June 2013.

2. The Third PMC Donor Roundtable agenda is presented as Annex 2 to this working paper.

3. A draft Project Concept Note is presented as Annex 1 to this working paper. Its development is guided by gaps and needs identified from the national country reports and guided by the action priorities under each Pacific Key Outcomes of the Pacific Island Meteorological Strategy 2012-2021, developed as a first step to continue to engage donors and development partners interests in supporting meteorological services in the Pacific Region. It is by no means an exhaustive paper but an attempt nevertheless to provide information on what are critical areas of support that the Pacific Meteorological Council (PMC) and PICTs' NMSs are seeking funding assistance from donors and development partners. Identified in the Concept are 4 components representing the demand for meteorological services in the Pacific region. These are:

- a) Technical services;
- b) Legislation, Policy, Coordination and Strategic Planning;
- c) Institutional Capacity; and
- d) Capacity Development.

4. Invite comments on the programme and the concepts

5. Tuvalu will present to donors and partners their National Strategic Action Plan for CC and DRM

Recommendations

7. The Meeting is invited to:

- **Note** that the Third PMC/Donors Roundtable is organised for the afternoon of Friday, 5 June 2013 (with amendments).
- **Note** the draft Project Concepts (with amendments)
