

“Science to Services for a Resilient Pacific”

Fourth Meeting of the Pacific Meteorological Council (PMC-5) Working Papers

7-9 August 2019
Apia
Samoa

Agenda Item 4.0: Action Taken on Matters Arising from the fourth Meeting of the Pacific Meteorological Council (PMC-4) and the Honiara Ministerial Statement

Purpose

1. To report on actions taken against the decisions and directives from the 4th Pacific Meteorological Council (PMC-4).

Background

2. The 4th PMC was held in Honiara, Solomon Islands in August 2017
3. The Secretariat has taken effective actions against the decisions and directives from PMC-4 which are related to the Honiara Ministerial Statement for sustainable weather, climate, Oceans and water services. An update of this is outlined at Annex I.
4. Many of the actions will be discussed in detail under relevant Agenda items during the PMC-5 meeting.

Recommendations

5. The Meeting is invited to:
 - **Note** actions taken against the decisions and directives of PMC-4 and the Honiara Ministerial Statement
 - **Request** that further updates on the Honiara Ministerial Statement are provided to the third Pacific Ministerial Meeting on Meteorology when it is convened
