WMO Reform

Why the need to reform

- To improve efficiency (more dynamic decision making)
- Improve resource utilization & funding mechanisms
- Align to WMO working structure

Potentially PMC could look like this

Pacific Meteorological Council

PMC Management Group

(Chair of PMC, Vice Chair of PMC, Chair of the Panels)

Panels

Infrastructure
&
Communication

Climate
Services

Education,
Training &
Research

Aviation

Marine

Hydrology

SPREP
Secretariat of the Pacific Regional
Environment Programme

WORLD
METEOROLOGICAL
ORGANIZATION

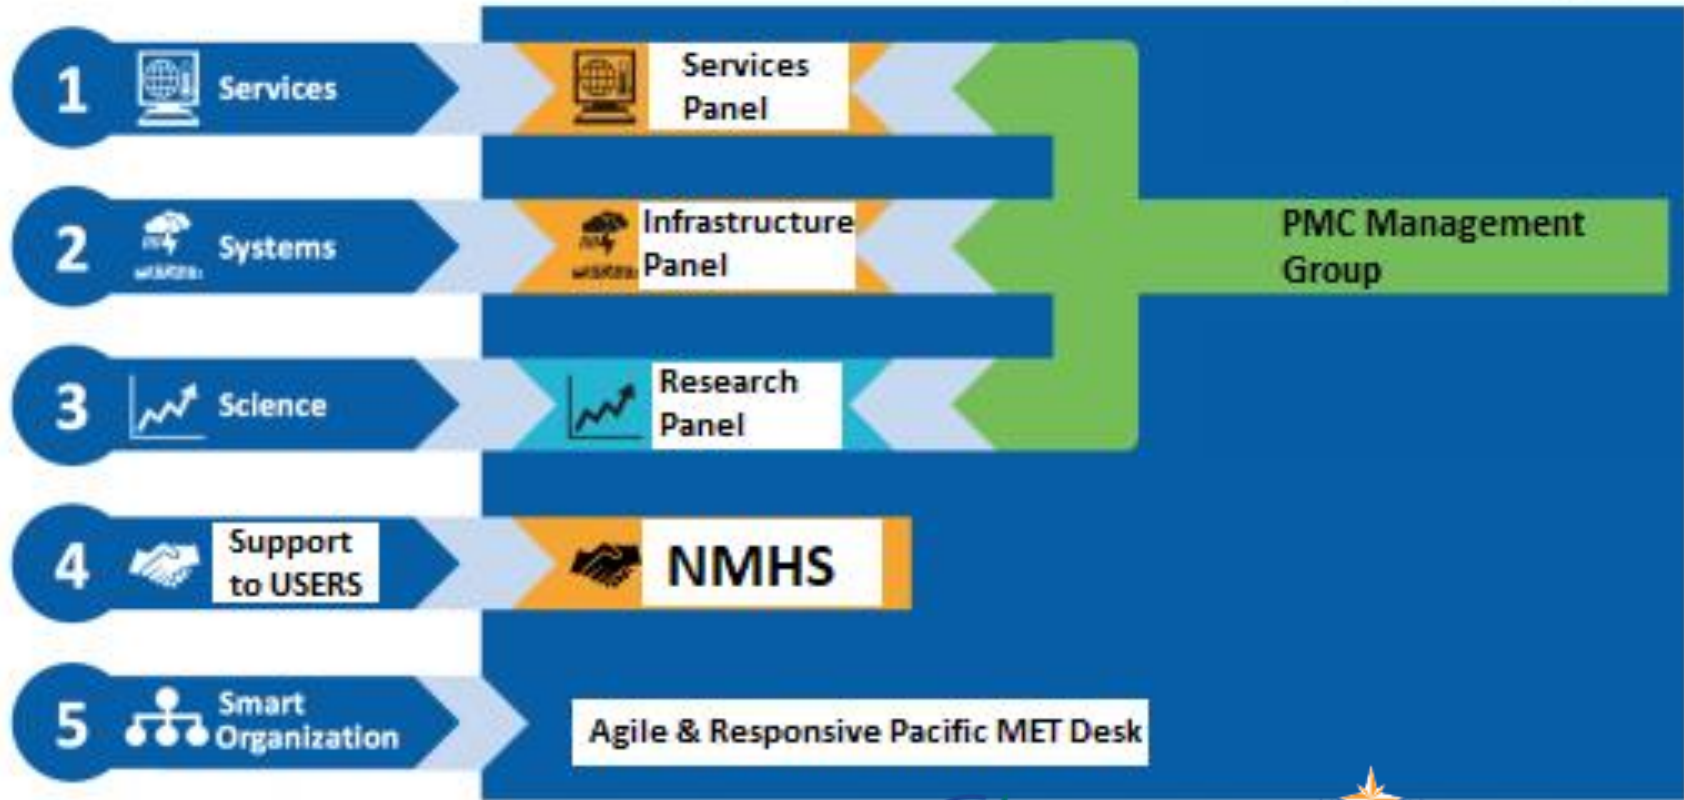

Could even look like this

**Pacific MET
STRATEGY**
Long-term Goals

Regional Expertise

Pacific MET Council

Policy, Coordination,
Integration, Foresight

Recommendation

Request

WMO RA V President to work with PMC Chair and Chairs of the Panels to review the working and governance structure PMC and make appropriate recommendations to PMC-6 for consideration taking into consideration the progress of the WMO Reform and the potential establishment of a PMC Management Group and a dedicated Donor engagement partnership platform.
